Happy April Dance Fam! Lots of important news coming your way.

First and foremost we are in the final stretch towards our summer recital so class **attendance is very important**. Each week in class we are working on our recital dance routine, our goal is for all classes ages 4 and older have enough confidence with their dance routine to go on stage at recital without a teacher leading them on stage. All classes will be finishing their whole song within the next 2 weeks. Videos will be posted on each classes individual band app page Starting April 17th dancers will also start learning the finale dance for the show. (ALL DANCERS participate in the recital finale)

Majority of **costumes** have arrived and are being sorted, labeled and hung in garment bags with tights and accessories for each student. Costumes will be sent home the first week of May. All costumes are supposed to fit snug like this summers swimsuit not with room to grow for next years Halloween costume. As costumes arrive teachers will have students try on to make sure everything fits appropriately, a few minor alterations such as tacking straps may be needed by parents.

May 19-25 will be our **Picture Week** at the Loxahatchee Studio. All students participating in recital will come to the studio in Loxahatchee at their scheduled appointment time dressed in costume with hair & makeup done and we will take group and individual photos. (See page 4 for appointment time). If you would like to request a friend/sibling photo please text Ms. Hope 561-568-4009 to add to the schedule. Any students not participating in recital do not need to come this week. TA-DAA will cover the sitting fees for the photographer to take the photos, parents will have the option to buy the photos ONLINE this year through our photographers website.

Recital tickets will be available for ONLINE PURCHASE ONLY this year beginning on June 3rd. Please pay close attention to which show your dancer is participating in when purchasing tickets. These ticket sales go through a third-party company so it's not a simple fix if you purchase the wrong tickets.
