

## M A R C H 2 0 2 3 N E W S L E T T E R

These next few months are going to be focused on our WILD ABOUT DANCE RECITAL. All classes should have started their recital choreography by now and dancers should be practicing their routines at home. Choreography videos, music, and costume selection will all be uploaded to each classes band page.

All recital t-shirts and costumes have been ordered for those that have paid and submitted their recital forms.

Parents, PLEASE PLEASE PLEASE download, join, and actively check your **BAND APP TA-DAA PARENT PAGE**, we will be uploading and sharing lots of important recital updates and this will be the MAIN COMMUNICATION SOURCE for recital line ups, dressing room assignments, check-in/out procedures, shoe/hair/accessory list, dress rehearsal schedule, recital volunteers, etc.

For each class we are looking for a class manager. The class manager will be my assistant in relaying information to all the other parents, a funnel system for questions because I am starting to get bombarded and need help, and to make sure everyone is in the know. Unfortunately being in the studio/ office I don't always get a chance to speak to parents to make sure everyone is up to date, or answer questions so I'm asking for help. The Class Manager does not need to be the dress rehearsal or recital day backstage volunteer but they will help me make sure every class has a volunteer to help on the big day. To become a class manager please visit the parent page on band and sign up on the CLASS MANAGER post. THANK YOU in advanced to all the amazing dance parents willing to lend a hand.
